

SALES REP NOTICE | Improved Access to FarrisOne

December 1, 2025

We are pleased to announce improved access to FarrisOne for our internal and external associates and Sales Representatives. Effective December 8, 2025, we are implementing Multifactor Authentication (MFA) as the secure access to FarrisOne. This will replace the current system of submitting a valid IP address. In preparation for turning on MFA for FarrisOne we need to ensure that all users have a verified email on file. Please verify your emails by December 5th by taking the following steps:

Step #1:

Log in to the FarrisOne site and navigate to your profile by clicking the Profile link in the top right. Complete the email field and then click the VERIFY button. You will receive a verification email.

EDIT PROFILE
